* **Late Applications** will be accepted subject to scheduling availability, and will be scheduled at the end of the day without exception.

Should your son or daughter work with an accompanist?

In order to gain maximum benefit and enjoyment from participating in the Milton Young Musicians Festival, we feel that all students in strings, winds, brass, and voice should avail themselves of an accompanist. The accompanist is not only a pianist but a seasoned musician whose coaching can provide a student with valuable pointers, both on musicianship and on performance skills. In addition, working with an accompanist gives a soloist the opportunity to hear his piece as the composer intended, in all its rhythmic and harmonic richness. We hope you will seriously consider adding this valuable dimension to your child's festival experience.

If you wish to perform with an accompanist but need a referral, please notify Ms. Salmonsens*.

Our Festival Accompanists provide their services for the following rates (PAID DIRECTLY TO THE ACCOMPANIST):

levels 1-3: \$25 (15 min. rehearsal) + \$25 Festival Audition; \$25 Gold Medal Concert (if applicable)

levels 4-6: \$50 (30 min rehearsal) + \$25 Festival Audition; \$25 Gold Medal Concert (if applicable)

I will provide my own Accompanist. Name: _____
